Version Check

This version was created by using:

- C# 12
- .NET 8
- Visual Studio 2022

Version Check

This course is 100% compatible with:

- C# 11
- .NET 7
- Visual Studio 2022

Relevant Notes

A note on frameworks, libraries and tools:

- Free community version of Visual Studio 2022
- Many language features work in older versions of C#
- Applicable to all types of .NET applications
